In her new book, *The Artist's Journey: The Perfumed Pilgrim Tackles the Camino de Santiago*, Marcia Shaver combines her passion for drawing and her love of travel. Readers are compelled to join Marcia and her well-chosen walking companion as they set a pace that permits time to draw and drink in the revitalizing countryside. During the 1,299,851-step pilgrimage across Spain, Marcia rediscovers the depths of her soul and allows it to shine forth in this exquisite account of her meaningful journey.
